## Experience

### ZeroChaos at LinkedIn | Visual Designer

January 2016 - Present | Sunnyvale, CA

- Working as contract designer for LinkedIn Talent Solutions.
- Designed and developed customer-facing email templates and marketing materials such as ebooks, reports and other materials.

### IBM | Software Product Designer

January - July 2014 | Austin, TX

- Worked as visual and user experience designer for IBM Cloud Virtualization Solutions, a software product that helps system admins configure and virtualize bare metal servers into clouds.
- Worked in a multidisciplinary team, designed and implemented pixel-perfect user interface, created storyboards, wireframes, low fidelity prototypes.

### RetailNext | Graphic Designer

September - December 2013 | San Jose, CA

- Conducted user research, usability tests and proposed solutions that improved the overall experience of the company website. As a result, we saw 157% increase in site traffic, 14% increase in organic search and 3% increase in time spent on the site.

### TempoRun | UI Designer

January - December 2013 | East Lansing, MI

- Designed and launched an award-winning iOS fitness app within five months. Reached \$10,000 in sales 3 months after the release.

### TechSmith Corporation | Graphic Design Intern

May 2012 - May 2013 | Okemos, MI

- Nested in the marketing team, designed print and digital marketing materials across departments.

## Education

### San Jose State University

MS, Human Factors and Ergonomics

- Studying the science of human factors, research methods and tools. Learning to analyze and evaluate user interfaces and report usability issues.
- Expected Graduation: June 2017

### Academy of Art University

Sept. 2014 - June 2015 | Web Design and New Media

- Studied web technology and front-end programming.
- Created a CSS library and use it for rapid prototyping.

### Michigan State University

BA, Advertising, specialization in design

- Extensively developed my knowledge in the principles of design and campaign strategies.
- Graduated in May 2013.
- Overall GPA 3.82/4.0
